Author comment on "Rainfall erosivity mapping over mainland China based on high-density hourly rainfall records" by Tianyu Yue et al., Earth Syst. Sci. Data Discuss., https://doi.org/10.5194/essd-2020-370-AC1, 2021

Dear Editors and Reviewer

Thank you for your letter and the reviewer's comments concerning our manuscript "Rainfall erosivity mapping over mainland China based on high-density hourly rainfall records" (ESSD-2020-370). The comments are valuable and helpful for revising and improving our paper. We have considered and addressed all the comments carefully.

Please also note the supplement to this comment:
