Author comment on "Hydrography90m: a new high-resolution global hydrographic dataset" by Giuseppe Amatulli et al., Earth Syst. Sci. Data Discuss., https://doi.org/10.5194/essd-2022-9-AC1, 2022

To the Editor:

Thank you for considering our manuscript and the Hydrography90m dataset for publication in Earth System Science Data. Please find attached the reviewer comments along with the responses. We took all comments into account and updated the manuscript accordingly, and hope that this new version satisfies the requirements for publishing our dataset in the journal.

Best regards

Giuseppe Amatulli & article's authors.
