Ki-Hong Min et al.

Author comment on "Intercomparing radar data assimilation systems for ICE-POP 2018 snowfall cases" by Ki-Hong Min et al., Geosci. Model Dev. Discuss., https://doi.org/10.5194/gmd-2022-18-AC7, 2022

As an appendix, we have additionally written about microphysical process budgets and the reflectivity operator.

Please also note the supplement to this comment:
