Editor comment on "Transitional rock glaciers at sea level in northern Norway" by Karianne S. Lilleøren et al., Earth Surf. Dynam. Discuss., https://doi.org/10.5194/esurf-2022-6-EC1, 2022

Dear Authors,

Thank you for your responses to the reviewer comments. Please proceed to prepare the revised manuscript for consideration.

I have confirmed that it is ok to add the additional author to the author list. Please make this amendment in your revised manuscript.

Many thanks

Frances Butcher
