Referee comment on "Modeling perennial bioenergy crops in the E3SM land model (ELMv2)" by Eva Sinha et al., Geosci. Model Dev. Discuss., https://doi.org/10.5194/gmd-2021-244-RC2, 2021

Correction for formatting issue: the paragrah "1. The manuscript lacks an independent validation..." should be labeled as item 3, which refers to my main comment/question 3.
