Andrei Maksymowicz et al.

Author comment on "Forearc density structure of the overriding plate in the northern area of the giant 1960 Valdivia earthquake" by Andrei Maksymowicz et al., Solid Earth Discuss., https://doi.org/10.5194/se-2021-53-AC4, 2021

We thank the detailed revision on our work from Dr. Carla Braitenberg (https://doi.org/10.5194/se-2021-53-RC3). In the attached document we write responses in blue after the reviewer's comments (black). Numerous writing corrections annotated by the reviewer in an attached pdf file were included in the new version of the manuscript (highlighted in green).

Sincerely

The authors
