Yen-Lien Kuo et al.

Author comment on "Are the Rich less Prone to Flooding? A Case Study on Flooding in the Southern Taiwan during Typhoon Morakot and Typhoon Fanapi" by Yen-Lien Kuo et al., Nat. Hazards Earth Syst. Sci. Discuss., https://doi.org/10.5194/nhess-2022-38-AC5, 2022

We have an additional revision idea. Please check the supplement file.

Please also note the supplement to this comment:
