Author comment on "Analysis of floating offshore wind platforms hydrodynamics using underwater SPIV: A review" by Navid Belvasi et al., Wind Energ. Sci. Discuss., https://doi.org/10.5194/wes-2021-128-AC1, 2022

Dear referee,

Sincerely thank you for taking the time to review and comment upon our manuscript, “An investigation of the applicability of SPIV for the analysis of the dynamics of floating offshore wind platforms”.

We found the advice constructive and will incorporate many suggestions into our next revision. Response to each comment individually will be prepared soon.

Sincerely thank you again for your thoughtful comments.

Kind regards,

Navid Belvasi
