Dear Julian,

We warmly thank you for your careful reading of our paper and your help in improving our message.

We tried as best as possible to answer your comments and to correct all mistakes/errors you noticed through the text and figures.

Please find attached a zip file containing:

- Our answers to your general comments,

- A track change version of the paper where you'll also find all minor changes we made throughout the text and figures,

- An updated version of the supplementary material.

On behalf of the authors,

Hervé Jomard
