Received and published: 30 October 2017

Dear Editor, enclosed are answers to comments by two reviewers . We have taken remarks by reviewers into account, and the paper has been revised accordingly. The main changes are: 1) 3D simulations were excluded for further separate publication; 2) The results of grid independence studies were discussed; 3) The discussion on effects of the Schmidt number was added; We look forward to hearing whether you can accept this article for publication.

Sincerely yours Vladimir Maderich October 30, 2017
