

***Interactive comment on “Head-on collision of internal waves with trapped cores” by Vladimir Maderich et al.***

**M. Stastna (Editor)**

mmstastn@uwaterloo.ca

Received and published: 31 October 2017

The authors have responded to the reviewers in a reasonable way. I am thus prepared to receive what the authors feel is a nearly finalized manuscript. If the authors wish, I am willing to edit this version for technical English.
