

Interactive comment on “Forecast skill score assessment of a relocatable ocean prediction system, using a simplified objective analysis method” by Reiner Onken

Anonymous Referee #1

Received and published: 26 August 2017

I have reviewed the resubmission of the Manuscript 'Forecast skill score assessment of a relocatable ocean prediction system, using a simplified objective analysis method' and found that the author have satisfied all points raised in my first review. Hence, further revision is not necessary and the manuscript is acceptable for publication.
