Received and published: 12 July 2017

Dear Referee,

We would like to truly thank you for putting so much time and effort to provide for a thorough and detailed review of our manuscript.

Please find attached a copy of our revised manuscript and a point-to-point response to the reviewer's comments in the form of a supplement.

We hope that we have now addressed all comments raised and the manuscript has reached adequate quality to warrant publication.

Yours sincerely,

C1

Nikolaos Simisiroglou
