Sachin Patade et al.

Author comment on "The influence of multiple groups of biological ice nucleating particles on microphysical properties of mixed-phase clouds observed during MC3E" by Sachin Patade et al., Atmos. Chem. Phys. Discuss., <https://doi.org/10.5194/acp-2021-927-AC1>, 2022

Authors' response: The initial 6 hours were considered as the model spin up time.
