Christopher R. Williams et al.

Author comment on "Identifying insects, clouds, and precipitation using vertically pointing polarimetric radar Doppler velocity spectra" by Christopher R. Williams et al., Atmos. Meas. Tech. Discuss., <https://doi.org/10.5194/amt-2021-27-AC3>, 2021

This is the revised manuscript with track changes (I am not sure if this is where this version submitted).

The same track change document is needed by both reviewer #1 and #2.

Thank you,

-Christopher Williams
