Referee comment on "In situ particle sampling relationships to surface and turbulent fluxes using large eddy simulations with Lagrangian particles" by Hyungwon John Park et al., Atmos. Meas. Tech. Discuss., https://doi.org/10.5194/amt-2022-231-RC3, 2022

I believe the authors misplaced the responses to the two reviewers.

Nevertheles, the authors of this article have thoroughly answered all my questions with sufficient details.

Once again, It's such a pleasure to read this conprehensive study. Thank you.
