Comment on angeo-2021-47

Anonymous Referee #1

Referee comment on "Quantifying the non-linear dependence of energetic electron fluxes in the Earth's radiation belts with radial diffusion drivers" by Adnane Osmane et al., Ann. Geophys. Discuss., <https://doi.org/10.5194/angeo-2021-47-RC2>, 2021

Please note the typo of the Referee comment
<https://doi.org/10.5194/angeo-2021-47-RC1>

"Fig.1 a)-b) is enough to illustrate the approach" should be "**Fig.4** a)-b) is enough to illustrate the approach".

Sorry about that
