Author comment on "Finite-difference time-domain analysis of ELF radio wave propagation in the spherical Earth–ionosphere waveguide and its validation based on analytical solutions" by Volodymyr Marchenko et al., Ann. Geophys. Discuss.,
<https://doi.org/10.5194/angeo-2021-49-AC1>, 2021

Dear Referee,

Thank you for taking your time to review our manuscript.
We have attached the answers on your comments.

With best regards,
Volodymyr Marchenko, Andrzej Kulak, Janusz Mlynarczyk
