Julie Meilland et al.

Author comment on "Population dynamics and reproduction strategies of planktonic foraminifera in the open ocean" by Julie Meilland et al., Biogeosciences Discuss., <https://doi.org/10.5194/bg-2021-141-AC1>, 2021

Dear Ralf,

I would like to thank you for the time you devoted to our manuscript and for the very constructive comments and corrections you provided. Please find hereby a point-by-point response to your review, in blue characters.

As you will see, we took most of your remarks in consideration and amended the manuscript accordingly.

We hope this latest version will satisfy you.

Best wishes,

Julie, on behalf of all co-authors.

N.B: the line numbers provided in our response corresponds to the line numbers of the edited manuscript (track change).

Please also note the supplement to this comment:
