Author comment on "Greenhouse gas fluxes in mangrove forest soil in an Amazon estuary" by Saúl Edgardo Martínez Castellón et al., Biogeosciences Discuss.,
<https://doi.org/10.5194/bg-2021-325-AC1>, 2022

We are very grateful for your corrections and observations. We think your considerations and, especially, corrections are very important. We hope they have met your expectations, but if you still need more effort from us, please do not hesitate to contact us. Attached are our answers to your questions

Please also note the supplement to this comment:
