Response to reviewer comments

Jurek Müller and Fortunat Joos

Author comment on "Committed and projected future changes in global peatlands – continued transient model simulations since the Last Glacial Maximum" by Jurek Müller and Fortunat Joos, Biogeosciences Discuss., <https://doi.org/10.5194/bg-2021-80-AC1>, 2021

A point by point response to the comments of all reviewers together with a manuscript version showing the proposed changes and updated figures is provided in the supplement.

Please also note the supplement to this comment:
