Reply on RC1 and RC2

Viviana Otero et al.

Author comment on "Pronounced seasonal and spatial variability in determinants of phytoplankton biomass dynamics along a near-offshore gradient in the southern North Sea" by Viviana Otero et al., Biogeosciences Discuss.,
<https://doi.org/10.5194/bg-2022-11-AC1>, 2022

Dear,

We appreciated and welcomed the comments from the referees and with the response letter attached to this message, we want to share with the editor our intentions on how we will tackle each of the comments. Based on our replies and intentions we hope to be allowed to go to the second phase of the review process, being the submission of a revised manuscript.

Kind regards,

Steven et al.
