Referee comment on "Assessing the sensitivity of multi-frequency passive microwave vegetation optical depth to vegetation properties" by Luisa Schmidt et al., Biogeosciences Discuss., <https://doi.org/10.5194/bg-2022-85-RC3>, 2022

Dear Authors,

please disregard my second statement dealing with the LFMC value range. I did not fully understand the LFMC concept. I think Eq. 2 as it is is valid.

Best wishes,

Martin Baur
