Michael Kempf

Author comment on "Monitoring landcover change and desertification processes in northern China and Mongolia using historical written sources and modern vegetation indices" by Michael Kempf, Clim. Past Discuss., <https://doi.org/10.5194/cp-2021-5-AC10>, 2021

Sure!

For now, I should be able to send you the MS by the end of the week - if that is fine with you.

Could you share an email address?

The CP discussion interface clearly says that I am NOT (sic!) allowed to upload a revised version of the MS to the comments ...
