Michael Kempf

Author comment on "Monitoring landcover change and desertification processes in northern China and Mongolia using historical written sources and modern vegetation indices" by Michael Kempf, Clim. Past Discuss., https://doi.org/10.5194/cp-2021-5-AC12, 2021

This is just a formal message to inform you that I am going to upload a 'final response' to all the comments and suggestions you raised during the review process.
