Author comment on "Predicting turbidity and Aluminum in drinking water treatment plants using Hybrid Network (GA- ANN) and GEP" by Ruba Alsaeed et al., Drink. Water Eng. Sci. Discuss., <https://doi.org/10.5194/dwes-2021-8-AC10>, 2021

Dear referee, I am thankful for your notes

I will add the figure you mentioned in the final version of the article

Thanks a lot
