Author comment on "Predicting turbidity and Aluminum in drinking water treatment plants using Hybrid Network (GA-ANN) and GEP" by Ruba Alsaeed et al., Drink. Water Eng. Sci. Discuss., https://doi.org/10.5194/dwes-2021-8-AC2, 2021

I was obligated to a certain number of words in the abstract, I will take this notice into consideration

Thank you
