Dear authors,

After checking your manuscript, it has come to our attention that it does not comply with our Code and Data Policy.

[https://www.geoscientific-model-development.net/policies/code\\_and\\_data\\_policy.html](https://www.geoscientific-model-development.net/policies/code_and_data_policy.html)

You have archived your code on GitHub. However, GitHub is not a suitable repository.

GitHub itself instructs authors to use other alternatives for long-term archival and publishing, such as Zenodo. Therefore, please, publish your code in one of the appropriate repositories, and include the relevant primary input/output data. In this way, you must include in a potential reviewed version of your manuscript the modified 'Code and Data Availability' section, the DOI of the code (and another DOI for the dataset if necessary).

Please, reply as soon as possible to this comment with the new links and DOIs, and be aware that failing to comply with this request will result in the rejection of your manuscript.
