Author comment on "Improving trajectory calculations by FLEXPART 10.4+ using deep learning inspired single image superresolution" by Rüdiger Brecht et al., EGUsphere, https://doi.org/10.5194/egusphere-2022-441-AC1, 2022

Dear Dr. Añel
Geosci. Model Dev. Executive Editor,

We are working on uploading the code and data, and modify the 'Code and Data Availability' section. We hope to finish this within the next week.

Regards,
The authors
