Author comment on "Accuracy of numerical wave model results: application to the Atlantic coasts of Europe" by Matias Alday et al., EGU sphere,
<https://doi.org/10.5194/egusphere-2022-481-AC1>, 2022

Dear Reviewer,

On behalf of all the Co-authors I would like to thank you for taking your time to go through our manuscript and for your comments to help improving it.

We are sorry about the delayed response, we were waiting for the input from other reviewers to provide more complete responses/adjustments. Attached you will find the replies to each of your questions, suggestions and comments.

Best regards,

Matias Alday
