Comment on egusphere-2022-681

Azad Madhu et al.

Author comment on "Modeling the influence of chain length on secondary organic aerosol (SOA) formation via multiphase reactions of alkanes" by Azad Madhu et al., EGU sphere, <https://doi.org/10.5194/egusphere-2022-681-AC1>, 2022

Thank you to both reviewers for their comments. We feel that the paper has been much improved through this revision process. We hope we have adequately addressed all your concerns in the attached file.

Please also note the supplement to this comment:
