Martin Horwath et al.

Author comment on "Global sea-level budget and ocean-mass budget, with a focus on advanced data products and uncertainty characterisation" by Martin Horwath et al., Earth Syst. Sci. Data Discuss., <https://doi.org/10.5194/essd-2021-137-AC1>, 2021

We thank Jean-François Legeais for his insightful comments.
We can reassure that we applied the TOPEX-A drift correction consistent with Ablain et al. (2017b). The number on line 272 should read -1.0 ± 1.0 mm/yr. We will correct the typo in a revision and we will also follow the two additional editorial comments.
