David Carlson (Editor)

Editor comment on "Global distribution of wastewater treatment plants and their released effluents into rivers and streams" by Heloisa Ehalt Macedo et al., Earth Syst. Sci. Data Discuss., <https://doi.org/10.5194/essd-2021-214-EC1>, 2021

This description of the HydroWASTE database includes a temporary link - <https://figshare.com/s/27f064600a198d050403> - intended for use by reviewers, commentators and other interested readers. After review, and presuming acceptance toward publication, that link will expire, replaced by the standard fully-public open-access link to HydroWASTE. Thank you for respecting this effort!
