Comment on essd-2021-250

Christof Lorenz (Editor)

Editor comment on "A global long-term (1981–2019) daily land surface radiation budget product from AVHRR satellite data using a residual convolutional neural network" by Jianglei Xu et al., Earth Syst. Sci. Data Discuss., <https://doi.org/10.5194/essd-2021-250-EC1>, 2021

I would like to inform you that the data set, which belongs to this publication, is currently being revised together with the authors. The final data set will be available in the near future. Therefore, the current data should rather be considered as a teaser.

Sincerely,
