It seems that doi.org cannot resolve the URL provided for the dataset at the moment.

It could be a problem on either DOI or ResearchGate side and the issue is reported to both authorities. However this DOI (<https://doi.org/10.13140/RG.2.2.10333.74726>) refers to the web page at [https://www.researchgate.net/publication/354687605\\_The\\_Active\\_Faults\\_of\\_Eurasia\\_Database\\_AFEAD\\_v2021](https://www.researchgate.net/publication/354687605_The_Active_Faults_of_Eurasia_Database_AFEAD_v2021) which remains available. No registration or identification is required for the data access.
