Alessandro Tibaldi (Referee)

Referee comment on "The Active Faults of Eurasia Database (AFEAD): the ontology and design behind the continental-scale dataset" by Egor Zelenin et al., Earth Syst. Sci. Data Discuss., https://doi.org/10.5194/essd-2021-312-RC2, 2021

I have read your reply and will wait to read the corrections when they are made in the new version of the paper.
