Author comment on "HCPD-CA: high-resolution climate projection dataset in central Asia"
by Yuan Qiu et al., Earth Syst. Sci. Data Discuss.,
https://doi.org/10.5194/essd-2021-361-AC3, 2021

Sorry for some writing errors.

- In the sentence "Below are your replies point by point:", "your" should be "our".
- In the sentence "...then compare the adjusted model data and the observations", "and" should be "with".
