Comment on essd-2022-198
Alessio Rovere

To explain a bit more in detail the tools we programmed within WALIS, I made a video that I uploaded to YouTube under a CC BY license. The video is available at this link: https://www.youtube.com/watch?v=Q_UNw-Mo2Iq&t=97s

In case the editors / reviewers will think that this video adds information to the paper, I can upload it to an open-access repository.
