Comment on essd-2022-205
Anonymous Referee #1

Referee comment on "Impacts of the proposal of the CNG2020 strategy on aircraft emissions of China-Foreign routes" by Qiang Cui et al., Earth Syst. Sci. Data Discuss., https://doi.org/10.5194/essd-2022-205-RC1, 2022

This is an excellent paper. Just one minor issue: the first line of each paragraph should be indented.
