Zhen Yu et al.

Author comment on "Historical nitrogen fertilizers use in China from 1952 to 2018" by Zhen Yu et al., Earth Syst. Sci. Data Discuss., https://doi.org/10.5194/essd-2022-263-AC4, 2022

We thank the editor for the suggestion. The crop-specific data are in processing and will be uploaded before we submit the revised version. The data DOI will also be provided.

Thanks again!
