Author comment on "BENFEP: a quantitative database of benthic foraminifera from surface sediments of the eastern Pacific" by Paula Diz et al., Earth Syst. Sci. Data Discuss., <https://doi.org/10.5194/essd-2022-324-AC2>, 2022

The authors would like to sincerely thank Lukas Jonkers for the time on reading and reviewing the manuscript and the suggestions provided to improve the manuscript readability and usability of the BENFEP database.

Please see the summary of point-by-point changes for your review in the attachment. We hope that the changes to the main manuscript, figures, supplement section, and revised database files meet the expected standards.

Please also note the supplement to this comment:
