Dear Dr. Rhian Salmon,

We thank you for your suggestions on the manuscript. With the changes explained below, we feel that the paper is strengthened compared to its first submission.

In the attached document, we have gone through each comment by the reviewers and explained our choices of changes in accordance with these. This document also includes the tracked changes of the updated manuscript compared to its first version.

Yours sincerely, Dr. Erlend Moster Knudsen and MSc. Oria Jamar de Bolsée
