Author comment on "Magnetic to the Core – communicating palaeomagnetism with hands-on activities" by Annique van der Boon et al., Geosci. Commun. Discuss.,
<https://doi.org/10.5194/gc-2021-41-AC2>, 2022

We thank Dr. Nave for their enthusiasm about our paper and will add 'Paleomagnetism is the field of research that deals with reconstructing Earth's magnetic field in the past, as recorded by rocks' as the first sentence of the Introduction. We will change the repetitive sentences in section 1.1 to: The exhibition is held in the building of the Royal Society in central London, close to Buckingham Palace. It attracts thousands of visitors each year, and runs for 7 days, at least 8 hours each day, and hosts 22 stands.
