Alastair C. Cunningham et al.

Author comment on "Attenuation of beta radiation in granular matrices: implications for trapped-charge dating" by Alastair C. Cunningham et al., Geochronology Discuss.,
<https://doi.org/10.5194/gchron-2021-17-AC4>, 2021

One further note: there is an error in the supplementary spreadsheet. I will upload a new one in the revision.
