Johannes Rembe et al.

Author comment on "Calcite U–Pb dating of altered ancient oceanic crust in the North Pamir, Central Asia" by Johannes Rembe et al., Geochronology Discuss.,
<https://doi.org/10.5194/gchron-2021-27-AC1>, 2021

Dear Dr. Konopelko,

thank you very much for your constructive review comment. We will apply all suggested changes to the manuscript. We will also take a closer look to the two publications and consider them in our discussion.

Sincerely,

Johannes Rembe on behalf of all authors
