Received and published: 9 March 2020

Please note that we have created a new DOI for the code and data availability sections: [10.5281/zenodo.3699683](https://doi.org/10.5281/zenodo.3699683). This includes the analysis code, the regridding routines, and a /Data directory, which lists PIDs and tracking IDs (or filenames) of all data used.
