Editor comment on "dh2loop 1.0: an open-source Python library for automated processing and classification of geological logs" by Ranee Joshi et al., Geosci. Model Dev. Discuss., https://doi.org/10.5194/gmd-2020-391-EC2, 2021

You may at this point provide a final response. Following this, you will have the opportunity to submit a revised manuscript.
