Comment on gmd-2020-446

Malcolm J. Roberts

Community comment on "The EC-Earth3 Earth System Model for the Climate Model Intercomparison Project 6" by Ralf Döscher et al., Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2020-446-CC1>, 2021

A well-written and useful manuscript. Please see the attached for detailed comments.

Please also note the supplement to this comment:
