Author comment on "SolveSAPHE-r2 (v2.0.1): revisiting and extending the Solver Suite for Alkalinity-PH Equations for usage with CO₂, HCO₃⁻ or CO₃²⁻ input data" by Guy Munhoven, Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2020-447-AC1>, 2021

Unfortunately, parts of the annotations on Figure 1 got lost during the production of the preprint.

A complete version of Figure 1 is provided in the Supplement attached to this comment.
