Dear Editor:

We appreciate your comments on our code repository. According to your suggestion, we have read the code and data policy of GMD in detail, and have transferred the code on GitHub repository to Zenodo repository and added a LICENSE.txt file containing a GPLv3 license. The DOI number of our code is 10.5281/zenodo.5069480.

With best regards,

Corresponding author: Qinghe Zhang.
